### 3. SIGNIFICANT EVENTS

# **3.1** Particulars of and reasons for material changes in major accounting items and financial indicators of the Com any

 $\checkmark$  Applicable  $\Box$  Not applicable

- 1. Loans and advances granted increased by RMB59 million or 34.53% as compared with those at the beginning of the year, mainly due to the increase of loans granted by the Company's finance company during the reporting period.
- 2. Long-term equity investments increased by RMB4,809.007 million or 133.11% as compared with those at the beginning of the year, mainly due to the acquisition of part of the equity interests in China United Insurance Holding Corporation ("China United Insurance") by the Company during the reporting period.
- 3. Short-term borrowings increased by RMB4,833.506 million or 65.62% as compared with those at the beginning of the year, mainly due to the increase in the short-term bank loans of the Company during the reporting period.
- 4. Deposit taking and deposits in inter-bank market decreased by RMB965.579 million or 51.86% as compared with those at the beginning of the year, mainly due to the decrease of deposit taking by the Company's finance company during the reporting period.
- 5. Taxes payable decreased by RMB1,647.228 million or 46.22% as compared with those at the beginning of the year, mainly due to the payment of taxes payable by the Company during the reporting period.
- 6. Other current liabilities of the Company were mainly short-term bonds payable. Other current liabilities decreased by RMB2,000 million or 33.33% as compared with those at the beginning of the year, mainly due to the repayment of short-term bonds due.
- 7. Bonds payable increased by RMB3,136.1 million or 40.82% as compared with those at the beginning of the year, mainly due to the issuance of H-share convertible bonds by the Company during the reporting period.

- 8. Other non-current liabilities increased by RMB798.758 million or 352.66% as compared with those at the beginning of the year, mainly due to the issuance of H-share convertible bonds by the Company during the reporting period.
- 9. Business tax and surcharges increased by RMB120.191 million or 80.32% as compared with the same period last year, mainly due to the increase corresponding to the increase of the Company's value added tax payable during the reporting period.
- 10. Investment income increased by RMB63.112 million or 50.44% as compared with the same period last year, mainly due to the increase of the Company's investment income recognised through the equity accounting method during the reporting period.
- 11. Finance costs increased by RMB224.232 million or 297.03% as compared with the same period last year, mainly due to the decrease of foreign exchange gains on a year-on-year basis as a result of the effects of exchange rates on the Company during the reporting period.
- 12. Non-operating income increased by RMB200.569 million or 107.03% as compared with the same period last year, mainly due to the increase of government subsidies as recognized through the recovery of value-added tax refunds during the reporting period.
- 13. Net cash flow from operating activities amounted to a net cash outflow of RMB4,630.285 million, representing a decrease of RMB1,211.387 million as compared with the same period last year, mainly due to the fact that the increase in cash received from sale of goods and provision of services during the reporting period as compared with the same period last year was more than the increase in cash paid for purchase of goods and receipt of services during the reporting period as compared with the same period last year.
- 14. Net cash flow from investing activities amounted to a net cash outflow of RMB10,768.547 million, as compared with the net inflow of RMB6,485.635 million for the same period last year, mainly due to the increase of cash paid for investments by the Company during the reporting period.
- 15. Net cash flow from financing activities recorded a net cash inflow of RMB 6,573.058 million, as compared with the net outflow of RMB6,675.924 million for the same period last year, mainly due to the increase in the demand for additional capital of the Company during the reporting period as compared with the same period last year.

#### **§ UNDERTAKINGS BY CRRC**

1. Undertakings in relation to the initial public offering

The following undertakings have been made by CSRG and CNRG respectively upon the listing of CSR and CNR. Following the completion of the merger between CSR and CNR, the following undertakings made by CNRG to CNR shall remain valid for CRRC. Following the completion of the merger between CNRG and CSRG, the following undertakings will continue to be performed by CRRCG.

(1) Undertakings on property ownership issues

CSR disclosed in its prospectus that CSR has not yet obtained proper property ownership certificates for 326 properties with a total gross floor area of 282,019.03 square meters, representing 7.85% of the total gross floor area of the properties in use of CSR. As for the properties which CSR has not yet obtained property ownership certificates, CSRG undertook that properties which could not obtain complete property ownership certificates due to reasons such as incomplete procedures in planning and constructions and, which would be included in the asset injection to CSR by CSRG, such properties would satisfy the usage requirements necessary for the production and operations of CSR. Moreover, if any loss would be incurred by CSR due to such properties, CSRG shall assume all compensation liabilities and all economic losses incurred by CSR.

During the reporting period, CRRCG complied with undertakings as stated above.

(2) Undertakings on the state-owned land use certificate without specifying the land use terms or termination date

CNR disclosed in its prospectus that the term or termination date of land use rights was not specified in the state-owned land use certificates for part of the authorized lands acquired by CNR. CNRG undertook to compensate the relevant wholly-owned subsidiaries of CNR for any losses incurred as a result of the term or termination date of land use rights not being specified in the state-owned land use certificates.

During the reporting period, CRRCG complied with undertakings as stated above.

2. Non-competition undertakings

Upon the listing of CSR and CNR, CSRG and CNRG have respectively undertaken not to compete with each other. Upon the merger between CSR and CNR, CSRG and CNRG have undertaken to not compete with the post-merger company. Upon the merger between CNRG and CSRG, CNRG, by assuming the aforesaid undertakings, issued the letter of undertaking of non-competition with CRRC Corporation Limited (《關於避免與中國中車股份有限公司同業競爭的承 諾函》) on 5 August 2015, the specific undertakings are as follows: (1) CNRG undertakes that CNRG itself will not and CNRG will procure, through legal procedures, the wholly-owned and non-wholly subsidiaries of CNRG not to engage in any businesses which may directly compete with the current operating businesses of CRRC in future; (2) subject to the aforesaid undertaking (1), should CNRG (including its wholly-owned subsidiaries and non-wholly subsidiaries or other connected entities) provide any products or services that may be in competition with the principal products or services of CRRC in future, CNRG has agreed to grant CRRC pre-emptive right to acquire the assets or the entire equity interests owned by it in such subsidiaries related to such products or services from CNRG; (3) subject to the aforesaid undertaking (1), CNRG may develop advanced and lucrative projects in the future which may fall within the business scope of CRRC, but it should preferentially transfer any achievement on such projects to CRRC for its own operation on equal terms of transfer; (4) CNRG should compensate CRRC for any actual losses incurred by CRRC arising from its failure to comply with the aforesaid undertakings.

During the reporting period, CRRCG complied with undertakings as stated above.

3. Undertaking to maintain the independence of a listed company

Upon the merger between CSR and CNR, CSRG and CNRG have respectively undertaken to maintain the independence of the post-merger company. Upon the merger between CNRG and CSRG, CNRG, by assuming the aforesaid undertakings, issued the letter of undertaking to maintain the independence of CRRC Corporation Limited (《關於保持中國中車股份有限公司獨立性的承諾 函》) on 5 August 2015, the specific undertakings are as follows: CNRG undertakes to be separate from CRRC in respect of areas such as assets, personnel, finance, organization and business and will, in strict compliance with the relevant requirements on the independence of a listed company imposed by the China Securities Regulatory Commission, to not use its position as the controlling shareholder to violate the standardized operation procedures of a listed company, to intervene in the operating decisions of CRRC and to damage the legitimate interests of CRRC and other shareholders. CNRG and other companies under its control undertake not to use the funds of CRRC and the companies under its control by any means.

During the reporting period, CRRCG complied with undertakings as stated above.

4. Undertaking to regulate related party transactions

Upon the merger between CSR and CNR, CSRG and CNRG have respectively undertaken to regulate the related party transactions with the post-merger company. Upon the merger between CNRG and CSRG, CNRG, by assuming the aforesaid undertakings, issued the letter of undertaking to regulate the related party transactions with CRRC Corporation Limited (《關於規範與中國中車股份 有限公司關聯交易的承諾函》) on 5 August 2015, the specific undertakings are as follows: CNRG and other companies controlled by CNRG will endeavor not to enter into or minimize the related party transactions with CRRC and other companies in which it holds a controlling interest. For related party transactions which are inevitable or have reasonable grounds, CNRG will continue to perform the obligations under the related party transaction framework agreements entered into between CNRG and CNR and succeeded by the post-merger company as

well as the related party transaction framework agreements entered into between CSRG and CSR (the rights and obligations of CSR and CNR under these related party transaction framework agreements will be succeeded and assumed by CRRC), and will comply with the approval procedures and information disclosure obligations in accordance with the relevant laws and regulations as well as the provisions under the articles of association of CRRC. Prices of the related party transactions will be determined based on prices of the same or comparable transactions conducted with other independent third parties in accordance to the principles of fairness and reasonableness.

During the reporting period, CRRCG complied with undertakings as stated above.
