**4.2 Adjustments to financial statements of the current year at its beginning for the initial application of the new financial instrument standards, new income standards and new lease standards are shown as below**

✓ Applicable                       Not applicable

The Company adopted the Accounting Standards for Business Enterprises 14 — Revenue (hereinafter referred to as the “New Principle for Revenue”) and the Accounting Standards for Business Enterprises 22 — Recognition and Measurement, the Accounting Standards for Business Enterprises 23 — Transfer of Financial Assets, the Accounting Standards for Business Enterprises 24 — Hedge Accounting and the Accounting Standards for Business Enterprises 37 — Presentation of Financial Instruments (hereinafter referred to as the “New Principles for Financial Instruments”) since 1 January 2018, which were amended by the Ministry of Finance. The New Principle for Revenue and the New Principles for Financial Instruments were not applicable as those were not the first time to adopt.

On 7 December 2018, the Ministry of Finance issued the revised Accounting Standards for Business Enterprises 21 — Leasing (Cai Kuai [2018] No. 35) (hereinafter referred to as the “New Principle for Leasing”). The New Principle for Leasing has been adopted by the corporations which are simultaneously listed inside and outside the territory, as well as the corporations that are listed outside the territory and apply the International Financial Reporting Standards or the Accounting Standards for Business Enterprises to prepare financial statements since 1 January 2019. Under the New Principle for Leasing, except for the short-term leases and low-value asset leases, which can be simplified in the manner of the original operating lease, the remaining leases should recognize the right-of-use assets and lease liabilities on the commencement date of the lease term. The New Principle for Leasing has been adopted by the Company since 1 January 2019 and the right-of-use assets and lease liabilities have increased, respectively.

Explanation to adjustment of each item under the consolidated balance sheet:

✓ Applicable                       Not applicable

The retroactive implementation of the New Principle for Leasing resulted in an increase of approximately RMB630 million in the right-of-use assets and lease liabilities of the Company as at 1 January 2019, respectively.

Explanation to adjustment of each item under the balance sheet of the parent company:

Applicable  Not applicable

The retroactive implementation of the New Principle for Leasing resulted in an increase of approximately RMB20 million in the right-of-use assets and lease liabilities of the Company, respectively, as at 1 January 2019.

#### **4.3 Explanation to retroactively adjusted comparative information with respect to initial application of new financial instrument standards and new lease standards**

Applicable  Not applicable

The Company adopted the Accounting Standards for Business Enterprises 22 — Recognition and Measurement, the Accounting Standards for Business Enterprises 23 — Transfer of Financial Assets, the Accounting Standards for Business Enterprises 24 — Hedge Accounting and the Accounting Standards for Business Enterprises 37 — Presentation of Financial Instruments and other New Principles for Financial Instruments since 1 January 2018, which were amended by the Ministry of Finance and were not applicable for this time.

Starting from 1 January 2019, the Company has recognized the cumulative effect of initial application of the Accounting Standards for Business Enterprises 21 — Leasing amended by the Ministry of Finance as an adjustment to the opening balance of relevant items in 2019, and comparative information has not been restated.

#### **4.4 Audit Report**
